Skills_____

HTML | CSS | SASS| JavaScript | React.js | Git | Bootstrap | JQuery | UX / UI |
Adobe Creative Suite | Figma

Summary_____

Fast learner, adaptable and top motivated front-end developer with 2 years experience in designing and developing interactive web applications using HTML, CSS and JavaScript. Knowledge of Adobe Creative Suite and GitHub. Ability to work with UX / UI using Figma. Even though my experience in the frontend was obtained on freelance, I have an excellent background of interaction with the team, including in a distributed remote format and leading teamwork. Passionate about website responsiveness and accessibility.

Experience _____

Self-Employed Front-end Developer   **July 2020 - Present**
